

LEATHER CHEMICALS

Established in 2004, Tradeasia is a rapidly growing supply chain company which provides various industrial raw material including chemicals, polymer, fertilizer, rubber and scrap. Headquartered in Singapore, Tradeasia also operates in 9 Asian countries as our trading hubs. We have a vast product portfolio and distribute to a wide range of industries. We strive to build lasting bonds through trust, integrity, commitment, partnership, entrepreneurship and sustainability - the forces that make us succeed as a company.

LEATHER CHEMICALS BUSINESS VERTICALS

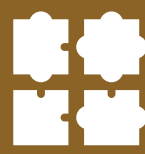

Leather Chemicals Tradeasia is a subsidiary of Tradeasia International Pte. Ltd. that accommodate leather chemicals products range. We provide multiple product categories such as beamhouse, tanning, wet-end, and finishing.

We strive to provide customers with high quality products from notable suppliers while ensuring seamless and secure trade services.

VISION

To be a reliable and trustworthy partner in the global supply chain of raw materials

MISSION

To supply good quality products and services delivered using effective supply chain solutions while providing profitable and sustainable growth to all our stakeholders

WHY TRADEASIA?

EXPERTISE

Tradeasia is equipped with insightful team leaders with in-depth knowledge in catering customer requirement to carry out various chemical distribution services globally. Our company operates under an integrated system which allows seamless import and export services.

SERVICES

Customer satisfaction has always been our top priority. We strive to provide an efficient and effective communication services for our partners through both online and offline platform. Tradeasia also support customers by providing a simplified procurement process for various product. Thus, becoming one stop solution for our customers.

QUALITY

Tradeasia is connected to various trustworthy and reliable suppliers all across the world. We ensure that customer will receive high quality products through quality control and assurance in order to meet their specific requirement. We would be able to provide required certification and pre-shipment procedure when necessary.

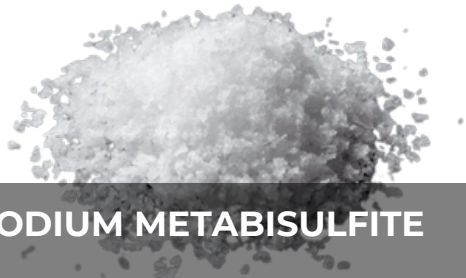

SUPPLY CHAIN

Tradeasia aims to assist customer with an optimized end-to-end supply chain solution process which includes, financing, documentation, and full scope logistic services. We also have a subsidiary logistic company which help lower the trade business cost and increase trade competitiveness. Additionally, we privately owned ISO Tank fleets for liquid chemicals to facilitate the supply chain system.

TOP PRODUCTS

INDUSTRIAL SALT
